Recommendation of good implementation

ARMATURY Group a.s., Nádražní 129, 747 22 Dolní Benešov, Czech Republic issues the present certificate to Bularmex-IK JSCo, 3 Shahbazjian Sq., Plovdiv, Bulgaria as a proof of good implementation of all contracts for manufacture and delivery of high pressure globe valves V46.2, for the period 01.01.2016 – 24.06.2019.

The same contracts are related to projects in the power engineering for Czech partners. The amount of the contracts for this period is 12802,22 EUR. All contracts were implemented within the agreed term, the manufacture and delivered valves are with very good quality and in full correspondence with the orders, without any remarks from the side of the contracting authorities / investors.

The present recommendation is issued to Bularmex-IK JSCo to be presented in its participation in tender "Delivery of pipeline valves for boiler equipment" registration № 19056 of TPP Maritsa East 2 EAD.
